

KLA PRESIDENT  
REPORT TO THE BOARD  
September 15, 2010

I submitted the President's Page for the Summer 2010 editions of *IN-FOCUS* and *Kentucky Libraries*.

On June 8, 2010 I joined the ALA Washington Webinar for Volunteering and Advocacy for the ALA National Advocacy Day on the Capitol Hill.

I attended the ALA Annual Conference in Washington, D.C. during June 25-29, 2010. I attended the Chapter Relations meetings with KLA President Elect Leoma Dunn to represent Kentucky. While in the Exhibit Hall I spoke with several vendors to consider exhibiting at the 2010 KLA/KSMA Fall Conference. This was effective last year since we had a few new vendors at the 2009 conference. June 29th was the ALA National Advocacy Day on Capitol Hill. I volunteered time in the advocacy booth during the conference and was one of many who represented KY on "the hill".

I attended the Kentucky Department of Library and Archives meeting for the State Advisory Council on Libraries on July 15 and September 10, 2010.

Respectfully submitted,

Emmalee Hill Hoover, President  
2009-2010
